APOLLO

Custom Build 47ft

30	2025	-	30 kn.

Upscale comfort, serious speed, and an itinerary limited only by daylight: At 30 knots, distance becomes a suggestion. This premium 47ft speedboat puts trips on the table that normal day boats simply can't reach: Phi Phi and Phang Nga Bay in a single day, or a run out to Koh Rok or the Similan Islands.

And here's what separates her from every other fast boat in the marina: real windows. While standard speedboat guests arrive salt-crusted, wind-blasted and slightly regretting their hair decisions, you travel protected from spray, splash and the midday sun — arriving at every island looking like you came by yacht, in half the time.
